Reference: Supplier Approval

Ms. Jennifer Dake,

Gulfstream Aerospace Corporation Quality Assurance is pleased to inform you that your Quality System has been APPROVED. A survey/audit of your facility has been completed and your Quality System meets or exceeds Gulfstream Aerospace requirements.

The scope of your approval will be for Quality Management System as it relates to Manufacture and Assembly of Titanium Metal Machined Parts for Aerospace Applications per Industry Standards and/or Gulfstream Aerospace Engineering Requirements.

Please note that Gulfstream Engineering requirements, specifications and/or standards shall take precedence when applicable per the engineering requirements.

Future audits of your facility will be at the discretion of our Quality Assurance department based upon your performance and our Quality requirements.

This approval will remain in effect until March 06, 2022 unless rescinded by Gulfstream.

Regards,

Mark G. Barnes
